ROBIN UNIVERSE
SOFTWARE DEVELOPER

📞 e-mail for phone!

✉ evshaddock@gmail.com

📍 Elgin, IL

Programmer, Linux nerd, 3D Blender artist, hardware tinkerer, and general technology enthusiast who is always looking for novel solutions to everyday problems

PS – I intend to legally change my name to **Robin Universe** within the next year, but my current legal name is **Elisha Shaddock**

Projects

Keebie: Add multiple keyboards support to Linux using Python + Evdev

TwitFix: Flask server with mongoDB caching to automatically fix twitter video embeds in Discord

    ↖ Over 300k users and 260 stars on GitHub!

Discho: A small tool written in JS to pipe bash stdout to messages in the chat app, Discord

… and many more can be found on my github

Work Experience

2017 – Present:

    Freelance software engineer, 3D art, Tech consultation, and IT support

2016 – 2017:

    Lake Jackson, TX Civic center attendant

2015 – 2016:
